

The DOGWOOD DIGEST

December 2024

Immanuel. God with us. Indeed, we have felt God with us through the growth of Mosaic Formation this year. We onboarded 9 Mosaic Network members; facilitated 30 workshops and 15 retreats, both online and in-person across the USA and in Africa and Europe; served 80 leaders with coaching and spiritual direction; and hosted our 3rd annual Ride with Refugees event. We share this with profound gratitude and humility. God made a way to expand access to spiritual formation care and training. Thank you for being a part of the Mosaic Formation community! **Merry Christmas and Happy New Year!** ~ **David & Cindy Wu**

Mosaic Network members flew in from around the world to attend our Fall Gathering. We had a wonderful time connecting in person!

Ride with Refugees partnered with a dozen nonprofits to host a community bike ride; we also graduated another class of the Afghan Women's Bike Team!
